

# Sorting Eggs by Color and Size

## Table of Contents and Directions

Egg Basket Sorting Mat pg. 2  
Color Cards pg. 3  
Egg Sorting cards pg. 4

In this activity children are learning to sort objects by multiple attributes (Color & Size).

### Assembly Directions:

1. Print: Easter basket sorting mat pg. 2, Color cards pg. 3 and Egg sorting cards pg. 4
  2. Laminate (optional for durability)
  3. Cut out the color cards pg. 3, and Egg sorting cards pg. 4
- Alternate assembly: Print the egg cards on printable magnetic sheets, to create a magnet tray game.

### Directions for play:

1. Shuffle the color cards and place them face down on top of the white box on the Easter basket sorting mat.
2. Spread the Egg sorting cards on the table face up.
3. Children flip over a color card, find, and sort the corresponding Egg cards by color and size.
4. Play continues until all of the Egg cards have been sorted.

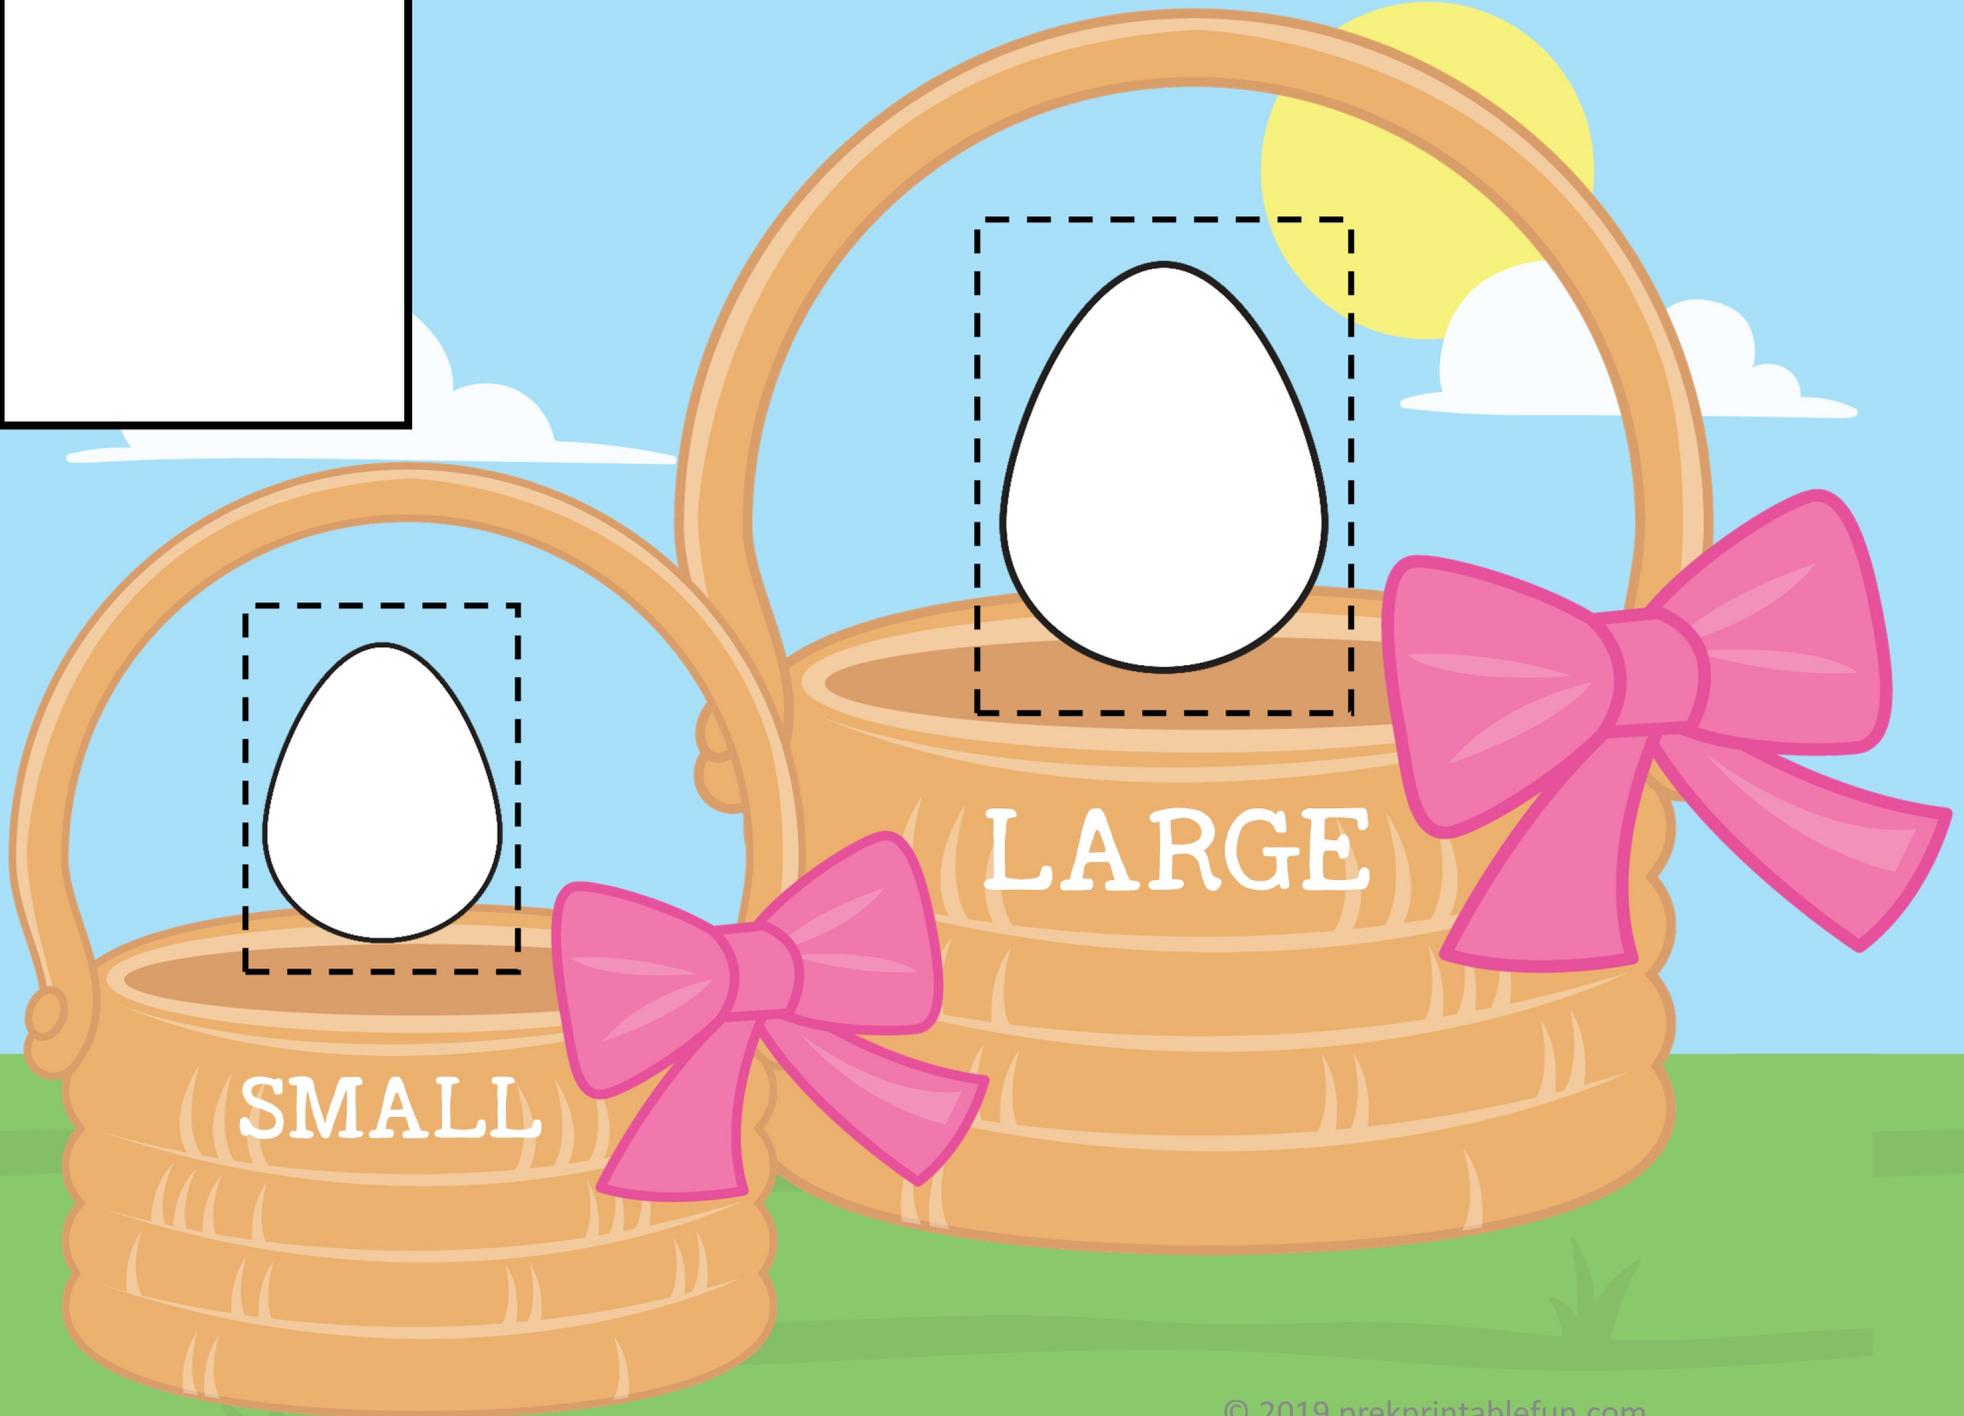

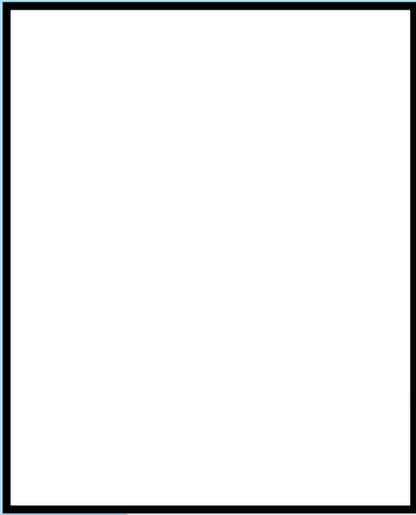

## Learning Standards

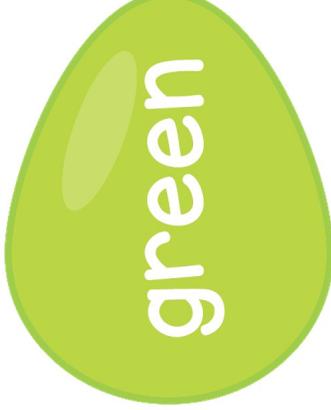

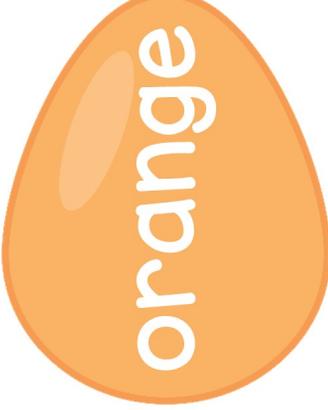

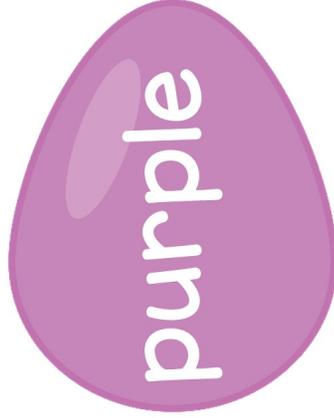

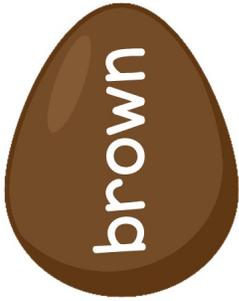

## Extend this Activity

- Place the egg cards face down and play as a memory game-until you find a color match.
- Find other objects around the classroom to sort by color and size.
