

I know first hand how much time it takes to plan quality lessons for your preschool or homeschool Pre-K program. Let me help you save time with this free sample lesson plan!

### **Visit my free lesson planning library!**

[In my library](#) you will find links to the activities included in this sample plan. You will also find all kinds of carefully selected Pre-K activities, book suggestions, as well as suggested props to add to your dramatic play and construction learning spaces.

Whether you choose to follow my year long sequence each week or choose to follow your children's interests, my lesson planning pages will provide you with more than enough fun activities to keep your preschoolers busy throughout the whole year. Remember, these pages have been created to provide you with an assortment of ideas—so that you can pick and choose the activities that work best for you and the children in your care (based on their ages, and developmental goals).

### **Compliment your theme with my activity packs:**

Inside my [activity packs](#) you will find several easy to assemble activities and games to compliment your theme. The activities in these packs focus on kindergarten readiness skills such as: counting, colors, shapes, lowercase/uppercase letter matching, patterning, and more! Pick and choose the activities that work best for your kids! Save even more when you become a club member! Purchase a one-time fee [Pre-K Printables Club](#) membership for complete access to ALL of my printable products.
